### Housing Demographic Information:

- **Rapid Home Appreciation:** Home values in Perry Village have surged, with a 9.98% annual increase and even higher short-term growth, making it one of the top appreciating markets in Ohio.
- **Strong Buyer Demand:** Most homes are selling quickly (avg. 44 days on market), primarily to families and first-time homeowners attracted by affordable pricing, quality schools, and a safe, suburban atmosphere.

- **New Construction Boom:** The Hidden Village Estates (Booth Farm) development is adding 277 new homes, nearly doubling the village's housing stock and pushing median sale prices into the \$300K+ range.
- **Demographic Shifts:** New residents are younger, higher-income families from Northeast Ohio and beyond, drawn by Perry's small-town feel, good schools, and proximity to Cleveland.
