

## Public Works May 2025 Report

- Rebuilt and re-installed park rules sign at Lee Lydic Park
- Met with EDake Plumbing and determined where the water for the small dog park would be tied into and ran into the new small dog park. Estimate was received and work is scheduled to be completed around June 18, 2025.
- Raked Whistlewood cul-de-sac
- Community Garden roto-tilled
- Community Garden fencing stakes installed
- Hometown Hero Flags installed
- Cold patch various locations
- Cut back and mowed newly acquired village property located near Booth Farms Subdivision
- Ball fields roto-tilled for the second time this year
- Contractor for small salt shed and brick work at PD advised he could complete the work June 6, 2025.
